

Together, We Can Empower Entrepreneurs With Access to Business Loans

Affordable and Flexible Loans From \$20,000 to \$5.5 Million+

CADDA is a business lender with a simple purpose: **to pave the way for economic growth by ensuring that local entrepreneurs have access to the loans needed to start and grow their businesses.** By partnering with CADDA, you can increase access to business funding in your community by connecting business owners with an experienced lender dedicated to their success. Together, we can help businesses secure the funding needed to thrive.

A RANGE OF LOAN PRODUCTS FOR A VARIETY OF BUSINESS NEEDS

We make securing funding for your business clients easy by offering multiple loan programs that cater to businesses with diverse financial requirements and goals. Our loan programs serve businesses from a variety of industries and financial situations and include:

Commercial fixed asset funding: Low-interest, long-term, and low-down payment financing from \$25,000 to \$5.5 million+ for major fixed assets, including real estate and equipment, is available through the SBA 504 loan program.

General business funding: We offer SBA, USDA and EDA loans to make general business funding available with affordable rates and terms. Loans from \$20,000 to \$500,000 are available to support expansion, equipment purchase, working capital and more.

A SIMPLIFIED, SUPPORTED LOAN PROCESS

Connecting a borrower to CADDA is easy: when a business is seeking funding, simply contact us and our team will work with the borrower one-on-one to find the program best fit to their unique needs. When you refer a business owner to CADDA, you can trust that they will receive comprehensive support during the entire application process, from initial conversations all the way through to closing. We're looking forward to working with you and your clients!
