

Revolving Loan Fund

Affordable Funding for Real Estate and Fixed Asset Purchases

ABOUT THE REVOLVING LOAN FUND (RLF)

An RLF loan is a unique financing opportunity designed to make loans possible for entrepreneurs with a variety of financial and business situations. With an RLF loan, CADDA funds part of the loan, reducing risk to the bank and increasing your chances of qualifying.

WHY CHOOSE AN RLF LOAN FOR YOUR BUSINESS?

- RLF loans put bank financing within reach. Because CADDA takes on some of the risk by funding part of the loan, you are more easily able to qualify for the funding you need.
- You can get your funds quickly because the bank is already familiar with your finances.
- Since you're borrowing with your bank, you're establishing a long term relationship that sets you up for access to future funding and access to other financial products.

Loan Amount:
\$20,000-\$500,000

Loan Uses: Buying or constructing an owner-occupied building, fixed asset purchases such as heavy machinery, inventory, and more
